

## Jazz Residency Initiative Host School Application

School

Town

School District

Total citizen population in school district

Number of students in host school

Date of last JRI residency

Number of student musicians	Vocalists	Instrumentalists	Total*
in host school music program			
active in jazz program			

\* Only count students that are vocalists and instrumentalists once in the total column.

- Name and contact info of Music Director
- Other music educator(s) at host school
- Name and contact info of Residency Coordinator (The ideal candidate has a strong knowledge of the local music program, but is NOT a full time music educator. This person is organized and has experience planning event logistics and fundraising.)
- Preferred length of residency (2-5 days)
- Possible dates, listed in descending preference
- Current ensembles with brief description and number of musicians
- Proposed performance hall for Capstone Concert (include website links or photos if available)
- Brief description of seating and A/V capabilities of performance hall
- Does your music program participate in music festivals? If yes, please list what festivals you plan to enter in the school year of the residency and which divisions you participate in.
- Please help us get to know your music program by listing any awards recently earned at festivals, music classes offered, and repertoire recently performed. Any other comments that will help us understand your program and facilitate a good residency match are welcome.
- Other resources/opportunities for involvement in your community
  - ex. photography groups, student newspapers, music technology classes, ect.
- Other students and groups you intend to invite
  - ex. younger students in school district, nearby colleges, community musicians, ect.
- How did you hear about Jazz Residency Initiative?

**Please return this application by email to [jazzresidencyinitiative@gmail.com](mailto:jazzresidencyinitiative@gmail.com) or USPS to 6 Benton Brook Place, Denmark, ME 04022.**
